Handwritten: Sir,

I have the honour to state that the work relating to the collection of rents of mutton markets, Boty Stalls etc the annual demand of which is about Rs 3200/-, was being attended to by the Veterinary Inspector in addition to his own duties He was a technical Officer of the Health Department and was subordinate to the Revenue Officer so far as the collection work only was concerned Experience in this connection showed that such an arrangement did not work satisfactorily and that heavy amounts in respect of rentals accumulated

2 On 13-11-1944, the Veterinary Inspector went on long leave on medical grounds, and was subsequently retired from service

3 As the Health Officer could not make any arrangement for the collection of these rents, he requested the Revenue Officer to make necessary arrangements in the matter, and the latter Officer has entrusted this work to the Miscellaneous Tax Inspector Mr. T Balaji Singh who has since been attending to it from 1-12-1944 The Revenue Officer has reported that this official is one of the very well behaved and hard-working officials deserving of encouragement, and that the work of collecting the miscellaneous taxes is rather unwieldy being distributed all over and outside the City limits, and is an additional strain upon him He recommended that this official be granted an allowance of Rs 10/- for this additional work

4 The above proposals, having been placed before the Managing Committee and the Municipal Council, they have, at their meetings held on 6-10-1945 and 1-11-1945 respectively approved of the grant of the said allowance of Rs 10/- per month to Balaji Singh from 1-12-1944 I enclose herewith copies of the aforesaid proceedings and request that sanction of Government may kindly be obtained to the resolution of the Municipal Council

5 I further request that sanction of Government may also be obtained to the grant of this allowance to any Tax Inspector who may be entrusted with this work in future

Forwarded with compliments

Honorary President
